

WALL GRAPHICS

As the leading manufacturer of pressure sensitive films for the P.O.P industry, Catalina proudly offers the Wall Graphics solution for highly effective advertisements and promotions.

Gain the benefit of increased product recognition and awareness in your target market with Catalina's innovative Wall Graphics advantage.

With an ultra removable and reusable low tack adhesive, it is available in clear or matte white flexible vinyl. Ideal for interior applications, it can be applied to most smooth and textured types of surfaces, and can remain applied for up to a year. Additionally, wall graphics can be saved and reused when reapplied to the release liner.

Wall Graphics is offered top coated and non-top coated for offset, digital and screen printing applications. Available in various width rolls, they can be custom sheeted to meet your specific job requirements.

Catalina Graphic Films carries a full line of pressure sensitive films which are available in rolls or sheets.
